

THE CHEQUERS VILLAGE HUB

Barkstone le Vale

November 2019

Welcome to our first newsletter which we intend to produce regularly to let you know about all things Hub related.

The Hub officially opened on the 21st September and is now well and truly up and running with several excellent evening events held (such as the pizza evening and Halloween party) and we have our regular weekly Wednesday Coffee Morning.

You can always find out more at our website;

Barkstonevillagehub.org or

Facebook page **[@Barkstonehub](https://www.facebook.com/Barkstonehub)**

It's **YOUR** Hub!

We want **YOU** to help us to create a thriving community hub at the heart of our great village.

We have been busy putting together a great programme of events and activities – but it's important that **YOU** help make it a centre of activity for **YOUR** interests.

Remember the Hub is also available for **private hire** too!

Below are a few ideas that have been suggested at our open events:

Up and Coming Events

Charity Quiz Night - music and general knowledge quiz for Water Aid. Get your teams sorted and join the fun!

New Years' Eve Party - tickets will be on sale shortly. See website/Facebook for details

Tuesday 31st December
7.00pm till late

Don't forget the Wednesday Coffee Morning & our Little Library!

Some Dates for your Diary 2020

We have music lined up for **Friday 6th March 2020** with Dom Martin and **Saturday 18th April 2020** with Remi Harris.

We already have an excellent team of volunteers working together **and a huge thanks to them** for making the Hub the success that it is proving to be.

However more volunteers are needed.

We'd like the Hub to be used in a variety of ways that support the village community.

We can't achieve this without **YOUR** help!

If you have an idea for an event or regular activity, please let us know.
